

JUSTICE AT LAST

Marketing and Branding Volunteers

ABOUT JUSTICE AT LAST

We are the only independent nonprofit law firm in the San Francisco Bay Area exclusively serving the legal needs of survivors, regardless of their age, gender identity, nationality or type of trafficking. Justice At Last provides free legal representation that emphasizes dignity and is survivor-centered, culturally sensitive, trauma informed, and rights-based. Our specialization includes assertion of crime victims' rights, clearing criminal records, family law, immigration relief and identity theft recovery. While we have satellite offices throughout the Bay Area, our practice is mobile and we travel to where the client is already receiving services to save them time, money and to ensure they are in a space that feels safe and trusted.

ABOUT THE JOB

A Marketing and Branding Volunteer will assist in developing an effective and comprehensive marketing strategy for Justice At Last. Marketing and Branding Volunteers will support staff and Board members in creating thoughtful social media content to increase donor engagement, share resources and services, and generate awareness of human trafficking. Due to the ongoing pandemic, this role is strictly virtual. This role is a great opportunity to get involved in the anti-trafficking movement and help support trafficked persons seeking justice on their own terms. Most of the work for this volunteer position is virtual/working remotely.

QUALIFICATIONS

Must be familiar with marketing strategies, social media, virtual communication, and committed to Justice At Last's mission to empower those who have been labor trafficked and commercially sexually exploited by providing access to free comprehensive legal services, advocacy and specialized training to help transform survivors' lives.
